Mail your Georgia return on or before August 17, 2015 to:

GEORGIA DEPARTMENT OF REVENUE

Each entity is required to make each Form 990 available for public inspection for a period of three years beginning with the due date, including extensions (e.g., the inspection period for Form 990 for the year ended December 31, 2014 will run from May 15, 2015 through May 15, 2018). Any organization that fails to comply with this provision is subject to a penalty.

A tax-exempt organization is required to provide copies of Form 990 if it receives such a request. A reasonable fee for providing such copies may be charged. Note that if an organization makes Form 990 "widely available" an organization is not required to provide copies at any time. An example of "widely available" is posting the Form 990 to an organization's internet address so that the general public can freely access and download it to print a copy. If someone visits an organization to inspect a Form 990 in person, the organization must still allow inspection at the office; however, if the person requests a copy of Form 990, the organization can disclose the internet address from which he/she can print a copy of the Form 990.

Upon an audit of the returns, requests may be made for supporting documentation. Therefore, we recommend that you retain all pertinent records.

These returns were prepared from information provided by you or your representative. The preparation of tax returns does not include the independent verification of information used. Therefore, we recommend you review the returns before signing to ensure there are no omissions or misstatements. If you note anything that may require a change to the returns, please contact us before filing them.

Please be sure to call us if you have any questions.

Sincerely,
