

2025 ANNUAL CAMPAIGN

**DONOR GIVING
LEVELS + BENEFITS**

Standing Stronger Together.

At AVLF, we believe in the power of community to create lasting change. Every year, we stand alongside thousands of individuals and families facing some of life's toughest challenges—navigating housing insecurity, pursuing safety and stability, and reclaiming their futures.

Our work is possible because of the generosity of partners like you.

Your support fuels transformative programs, connects individuals with critical resources, and amplifies our ability to stand with those who need us most. We invite you to join us as we continue to champion justice and strengthen our community.

Together, we can build a future where every individual has access to the resources and support they need to thrive.

To learn more about our giving levels, benefits and how you can make an impact with AVLF this year, contact
